

BHYC Cruise News- 2012

The 2012 **August** and **Canada** cruises both include Northeast Harbor on Monday, August 6 where we will be having dinner at the Asticou Inn. Also, both cruises include an At Will Day on Tuesday, August 7. Further, while the Canada Cruise will be meeting in Cutler on Wednesday, August 8, the August Cruise will have an additional At Will Day. For reference, I have included the entire 2012 cruise itineraries below.

For those who would like dock space in Northeast Harbor for one or more of the above dates, early reservations are necessary.

The Harbor Master's office has advised that the best method to secure a reservation is to fax them the Reservation Request Form. They will not accept forms that are faxed prior to January 1, 2012. Additionally, each vessel will need to make their own reservation as they no longer allow group reservations.

The Harbor Master's web site (below) contains the fax number as well as the Online Reservation Form which you should fill out the top section and signed at the bottom. The Slip # will be assigned by the Harbor Master who will contact you for payment information. Do not include your credit card information when you fax the form.

Please let me know at jgshea@hughes.net when you have a confirmed reservation.

During the **July Cruise**, there are two At Will Days on July 7 & 8. Some vessels are planning to go to Wentworth by the Sea Marina in New Hampshire. As there is a group rate available, I would appreciate your notify me at jgshea@hughes.net if you are interested in making this optional trip.

Joan and I wish everyone a wonderful Holiday Season and a prosperous and healthy New Year.

Greg Shea
Fleet Captain
