DIRECTORS	RICK MITTERLING, JIM MEGA, SCOTT BLAKE, DEB SWAN	

The Boothbay Harbor One Design Class was designed in 1938 by Geerd Hendel, a well know naval architect who worked with Starling Burgess and Olin Stephens to design the J-Boat Ranger, winner of the 1937 America's Cup. Hendel also was a member of the Boothbay Harbor Yacht Club and actively sailed and competed in racing his One Design boat in club races. For information about hull and sail specifications, please contact the club President.
